

Greetings General G. Meade School Community,

I am Akeere Scott-Mack and It is my honor and privilege to be your principal. I am looking forward to working with the dedicated staff, students and parents to provide the best educational program for the students of General G. Meade School.

Meade has a rich history in preparing students for the academic and social-emotional challenges of the world. This is the direct result of the solid partnerships between school staff and parents who provide diverse experiences for students. I am so excited to have been appointed principal at a school where the focus is on what's best for students.

I have been in the education field for over 17 years as a teacher , assistant director of K-2 , assistant principal and principal. I feel these experiences will serve the Meade community well. I have a 1 year old daughter , Bella, who keeps me young and on my toes.

Parents, teachers, support staff, community and administration all have important roles in encouraging our students to be life-long learners. It is my goal to ensure that students have all that they need to be successful in our changing society.

Through establishing relationships, communication and love I am confident that we will have a successful school year. Please feel free to stop by and say hello, as my door is always open. If there is anything I can assist you with , please don't hesitate to contact me. My email is ascottmack@philasd.org and my phone number is (215)400-7310.

Sincerely,
Akeere Scott-Mack , Principal
General G. Meade School
